Participants

**216**  
Registered Journalists

**210 Million**  
Media Reach

**40+**  
Ministers and VIPs

**130+**  
Countries Represented

**49 Million**  
Social Media Reach

Since 2015 the Berlin Energy Transition Dialogue has become the leading international forum for high-level policy-makers, industry, science and civil society to exchange ideas for a safe, affordable and environmentally responsible global energy transition. The conference complements the climate discourse by emphasizing the energy component.
