

Internship in social media for renewables

The German Renewable Energy Federation (BEE) is the umbrella organization for German renewable energy associations. We represent 330,000 jobs and more than 3 million power plant operators. Our goal: 100 percent renewable energy in the areas of electricity, heat and mobility.

We are looking for a talented intern for our social media campaign (full-time) between February and April 2019 in Berlin (3 months)

Your profile:

- You are enrolled in a Bachelor's or Master's program in the field of International Environmental Policy, Media Studies or Political Science
- You have competent writing skills, even under time pressure
- You have communication strength, team spirit and flexibility
- Basic understanding of Social Media platforms
- You are a native English speaker and have sound skills in German

Your tasks:

- Participation in planning and implementation of the social media concept for the "Berlin Energy Transition Dialogue 2019" (www.energydialogue.berlin) in April 2019
- You will manage accounts for Twitter, Instagram, and LinkedIn
- Developing ideas and concepts into compelling, visual solutions for social media
- Create your own graphic elements, such as photos and quotes from energy policy stakeholders

What we offer:

- the opportunity to make exciting and valuable contacts
- working in a young, motivated and experienced team
- a monthly compensation of 400 euros

That sounds like you?

Then you belong in our team. Please send your application as a PDF incl. letter of motivation, CV, possibly work samples under the subject "Internship Social Media" to bewerbung@bee-ev.de. Your questions will be answered by Sara Lingstädt, Manager national and international projects: Phone 0 30 / 2 75 81 70 - 286.

Applications can be submitted by 15.11.2018. We only offer study-related compulsory internships. We are looking forward to hearing from you!
